The HALDRUP D-45 is a powerful, self-propelled plot topper and windrower designed to maximize your efficiency and precision. It can top up to 300 rapeseed plots or windrow 200 plots per hour, depending on your needs.

Choose between models with or without a spacious, climate-controlled cabin featuring air conditioning, heating, an air-suspended seat, adjustable steering column, and an ergonomic joystick control panel—ensuring comfort in any condition.

Optional hydraulically foldable mowing blades let you easily switch between topping and mowing in seconds.

Powered by a robust 75-horsepower Deutz engine, with four equal 20-inch wheels, four-wheel drive, and a lockable differential, the D-45 delivers dependable performance even in tough terrain.
